Thank you Quintin. Also, I noticed I forgot to include a statutory reference for issues 48 and 50. Section 283.53(2)(a)(1) provides the authority for terminating a permit for “any” violation. It does not say, any “substantial” violation.

Subject: Responses to Questions on Rule package 6 and other issues

Hi Quintin,

Attached are DNRs initial responses to your questions. I also attached the responses we sent to EPA back on August 4. It is my understanding we will be discussing the issues that are not storm water specific issues on Tuesday. Thursday's call is reserved for storm water questions. I am not available on Thursday's call.

Thank you.

Robin
